

HAPPINESS IN LIFE SERIES

1. ACCEPTING THE THREE DIMENSIONS OF RESPONSIBILITY
2. TRANSFORMING ANGER
3. INCREASING HAPPINESS IN YOUR LIFE
4. CREATING AND KEEPING AN OPEN OPTIMISTIC OUTLOOK ON LIFE

THESE PRESENTATIONS GIVE INDIVIDUALS INSIGHTS AND OPPORTUNITIES TO CHANGE AND IMPROVE THEIR LIVES. CHANGING OUR ACTIONS AND CHANGING OUR SENSE OF SELF AND THE WAY WE INTERACT WITH OTHERS WILL DO TWO THINGS: FIRST---IT WILL INCREASE OUR AWARENESS ABOUT WHAT IS GOING ON AND THUS GIVE US OPPORTUNITIES TO DEVELOP A GREATER SENSE OF RESPONSIBILITY. SECOND---IT WILL DEVELOP OUR SENSE OF CONCERN, CARING, REACHING OUT TO OTHERS, WITH KINDNESS, COMPASSION AND HEARTFELT HELPFULNESS. THIS WILL GIVE US OPPORTUNITIES TO CREATE AND INCREASE THE ENERGY OF LOVE WITHIN OURSELVES AND THE LOVE WE CAN GIVE TO OTHERS.

"SOMETIMES OUR LIVES ARE CHANGED."

"Sometimes our lives are changed. We discover a new and different way of thinking about ourselves and the world we live in. If the experience is truly profound, we achieve a sort of certainty about who we are and what we can do. In a way---if the experience is really important, we discover a new sense of ourselves. This change can come about when we meet someone special, and I believe Dr. Jules Burgevin is that person. He is a witty and fascinating speaker who presents clear answers and solutions to issues we need to resolve in our lives." ~ Dr. Edward T. Lewis, Ph.D., President Emeritus St. Mary's College, St Marys Maryland and through January 1, 2010---President and Chief Executive Officer, The Pennsylvania Academy of Fine Arts, Philadelphia, PA

"Jules Burgevin . . . is on the cutting edge of learning, leading and helping people transform their lives."
~ Priscilla Shumway, President, New Learning Presentation Systems, Charleston, South Carolina
